The Sumi Chapter of the Ooyumbuli Lodge, Order of the Arrow, is sponsoring a pancake breakfast, Sunday, Feb. 21, from 8 p.m. to 1 p.m., at the Cerrito City Club, in El Cerrito.

Mr. Ken Galloway, Chapter Advisor, announced the benefit breakfast plans, as a recognition of the late Iwao "Bill" Masuda's Scouting activities. All proceeds from the breakfast will be directed to the Trust Fund established in the late Scout leader's name, for his daughters, Chrissy and Heidi.

The late Mr. Masuda, was a Brotherhood member of the Lodge, and participated actively in the program. Diablo Council, in recognition of his Scouting and civic activities.

A partner of the College Cleaners, in Berkeley, for the past 20 years, he participated in the Elwood Merchants Association, and as a member of the California Dry Cleaners Association. He was a member of the El Cerrito Parks and Recreation Commission, and attended the Berkeley-Richmond Free Methodist Church.

Humor will be the order of the evening, not only in performances by chapter members, but in guest quartets selected especially for their ability to entertain. Coming from Fresno, the Raisin Cains will bring a new sound, and the Assigned Risks, men's comedy quartet from Hayward, will perform in their inimitable style.

Following the show, all attending are invited to a Cast Party at St. John's Hall for food and more fun. For information or tickets, call Marian Caruso, director, 525-7858.

Applications Open for Pool Jobs With Berkeley Rec Dept.

Sun, summer, and fun are almost here, and the Easter Bunny is only a hop away.

For 42 people all this plus a swimming pool will mean jobs at one of the City of Berkeley's three Swim Centers.

All three centers, Willard, King and West Campus, will be operating an Easter Week, April 3 to 10, and summer program. A variety of positions are open: swim center manager, senior lifeguard, swimming instructor, lifeguard, cashier/attendant, and swim center aide.

Managers start at \$3.55 per hour and are required to have a Water Safety Instructor's (WSI) Card and extensive aquatic experience as they are responsible for the entire operation of a center. Senior lifeguards are also required to have a WSI card plus two years experience as a lifeguard, and start at \$3.10 per hour. Swimming instructors begin at \$2.70 per hour, must be 18 years old, and have a WSI card and some teaching experience. If one is 18 years old, has a Senior Life Saving Card and some aquatic experience, he qualifies for lifeguard which starts at \$2.50 per hour. Cashiers must be 18 years old, have some clerking experience, and start at \$2.30 per hour. Swim center aides start at \$1.60 per hour and must be 15 years old with a Junior or Senior Lifesaving Card.

Applications for Easter Week will be accepted from February 1 to March 5, while applications for summer are taken from February 1 to May 28. Anyone interested may call the Recreation and Parks Department at 644-6530 from 8 a.m. to 5 p.m. for further

information, or may pick up an application at the Department's office located at 1835 Allston Way, next to City Hall.

For the benefit of those who may be interested and lack the necessary qualifications, the Recreation and Parks Department and the American Red Cross, Berkeley chapter, are offering two Senior Lifesaving and one Water Safety Instructor course. One Senior Life Saving class will be given before Easter from 7:30 to 9:30 p.m. on Mondays and Wednesdays from March 1 to March 29 at Berkeley High School. Another Senior Life Saving class will be given Easter week at West Campus Swim Center every evening, Monday through Saturday, from 6:30 to 9:30 p.m. The Water Safety Instructor's class will be conducted at Berkeley High School on Monday and Wednesday evenings from 7 to 10 p.m. from April 19 to May 26.

Exercise Classes

Kensington Community Council will sponsor a women's exercise group to begin Thursday evening at 8 o'clock in the Kensington Youth Hut.

The group will be directed by Marlis Rosa who has instructed classes at both the Berkeley and Albany YMCA.

Mrs. Rosa employs a variety of methods in her presentations, including Yoga, dance sequences, aerobics, and kinesthetics, and stresses enjoyment of the movements by choreographing the exercises into logical series set to music.

In addition to the evening meeting, a morning hour is also available on Tuesdays at 10:30 to 11:30. Women may join either or both classes by calling 525-0292. The fee is \$10 per 10-week session. No meetings will be held during school holidays. Stretch clothing and bare feet are recommended.

Cross is also taking names for advanced enrollment.

Northbrae Community Church To Hold Recycling Project

Northbrae Community Church will hold its next bimonthly waste recycling project on Saturday and Sunday, Feb. 20 and 21. On these two days all East Bay residents are encouraged to bring tin and aluminum cans, glass, and newspapers to the church, where they will be collected in bins for recycling. The church is located at The Alameda and Los Angeles Street in Berkeley, and will be accepting material from 10 a.m. until 4 p.m.

The purpose of this drive is to call attention to a serious environmental problem. Under the present system we are not only using up our natural resources at a great rate, but we are creating an immense amount of unusable solid wastes. In this area, these wastes are used to fill up the Bay, thereby destroying a valuable part of the natural scene. By the re-use of materials we get around these difficulties.

Materials should be separated before they are brought to the

church. All aluminum, molded bottoms, and are non-magnetic, be crushed easily by cans should be rinsed, have the label removed, be flattened easily if it is removed with a can. Most beer and soft drink tin with aluminum should be crushed and arate.

All glass jars and bottles be accepted if they are free of labels or sure to remove the label left by twist-off papers should be tied into bundles.

Northbrae Community urges all to begin using reusable materials now as might participate in this

Kasarjian at a party at 1200 Lakeshore Roofgarden overlooking Lake Merritt in Oakland.

The bride-to-be, an Albany High School graduate of the class of 1968, attended California State at Hayward, majoring in music and is now enrolled in the Hotel & Restaurant Program in San Francisco.

The bridegroom-elect, son of Mr. and Mrs. Archie Kasarjian of Oakland, attended schools in Boston before moving to the East Bay with his family.

The highlight of the engagement party was the formal ceremony of betrothal called the "tena'im," an ancient Jewish tradition of the signing of the marriage contract. With the assistance of Seth Wolitz acting as agent for the bride's parents, the dowry (a bag of silver dollars) was presented to the groom who in return presented Miss Goldberg with a diamond engagement ring. Both mothers then broke plates according to tradition and Rabbi Laderman declared the contract legal and binding.

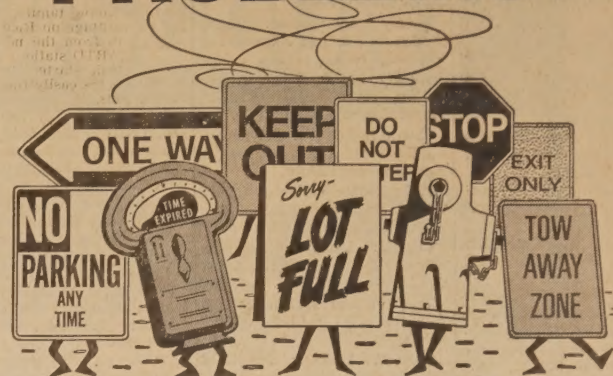

The wedding is scheduled for June 27.

Applications For Mail Ban Now Accepted

Albany Post Office, along with the nation's 32,000 post offices, is accepting applications from people who want their names added to a list of persons to whom ads coming within a statutory definition of "sexually oriented" advertisement may not be mailed.

At the same time, the Postal Service began compiling a master list of those who apply for the mail ban; the first list to be available to mailers about Feb. 20.

Sexually-oriented ads may not be mailed to those appearing on the list for 30 days or more. The law, a part of the Postal Reorganization Act, carries severe civil and criminal penalties for violators.

A customer physically incapable of filing an application personally at the post office may have one mailed to him by the postmaster, upon request.

Each form contains an identifying number which should be retained by the applicant for further reference; if, for example, he wishes to notify the postmaster that he has received sexually-oriented ads after being on the list for more than 30 days. A person's name will remain on the list for five years, but, if he wants his name removed, he needs only to advise his postmaster in writing, giving his application number.

Note of Thanks

I would like to take this method of thanking all my City of Albany fellow employees, and friends for the wonderful Retirement Dinner given me Wednesday night. This was an affair that will long be remembered by my wife, Mary, and I. Over the past twenty-odd years I have enjoyed working for the City, most of that time as Sweeper Operator. I'm sure I will miss all my friends in all the Departments and we want to wish them well in their individual undertakings and again express Mary's and my appreciation for the lovely dinner, the friendships and the gifts.

Sincerely,

*Based on a comparison of manufacturers' suggested retail prices for 1971 Duster and Vega 2-door coupes with equipment listed. Prices include Federal Excise Tax and exclude state and local taxes, destination charges, optional equipment other than that listed above, and on Duster, new-vehicle preparation charges.

They've certainly had time enough to learn by now. That with compacts, it's not just the low price but how much value comes through for the low price that really counts. And when you compare our Duster to their Vega you'll see what "Coming Through" is all about. Because Duster not only has more room, more trunk, bigger tires and brakes, and more power than Vega; it's still as easy on gas as it is on your budget. The big difference between Duster and Vega? Come through our place and see for yourself. It's not the price.

Check us for our price, you'll see.
